Important: This document curates and references third-party halal information published by the sources cited herein. HalalLens compiles and links these references for convenience; it does NOT issue halal certifications or religious rulings (fatawa). Halal status can change — always confirm directly with the restaurant. Sources are cited in full for transparency and audit.

Compiled by **HalalLens** on 2026-06-22. This is a curation/reference document, not an independent certification.
